## Collaborating in a pilot project!

**Older people's emotional interactive experiences through a citizen science lens** [ <http://gti.upf.edu/older-peoples-emotional-interactive-experiences-through-a-citizen-science-lens/> ], a pilot project funded by the ACT network. This pilot project will be coordinated by the UPF-GTI and conducted with the participation / support of Àgora (<http://edaverneda.org/> [ <http://edaverneda.org/> ]), and other centres in which we plan to recruit participants, and collaboration of Dr. Sergio Sayago (currently, at Universitat de Lleida), and the [ACT network](http://actproject.ca/) [ <http://actproject.ca/> ]
