Two GRIHO researchers, Rosa Gil [https://rhizomik.net/~rosa] and Roberto García [https://rhizomik.net/~roberto], will be doing a stay at the Royal Melbourne Institute of Technology (RMIT).

The two months research stay will be at RMIT's Blockchain Innovation Hub [https://rmitblockchain.io]. They will explore collaboration opportunities related to blockchain technologies, ranging from ethical aspects to their application in domains like copyright management or data sharing.
